Subject: Implementation of Digital University Project for the UTD courses and affiliated colleges to the University.

Sir,

I am to inform you that the Digital University project is going to be implemented in this University for the automation of the admission, registration and the examination system relating to the UTD courses and affiliated education courses at the first instance. In this module all colleges have to fill their student's details in the system after that data will be submitted for registration online and then examination activities will be started for the first year students of the UTDs and affiliated colleges to the University for the session 2016-17.

Key Dates

Sr.No.	Course Name	Last Date of Submission of online entries, RR and requisite documents and fees
1.	All UTD Courses	10.10.16
2.	All Courses except B.Ed and M.Ed	25.10.16

All colleges are instructed to collect your login credentials from the Registration Branch. For any information and support, the colleges may contact to [01681-241022](tel:01681-241022) and send mail us to at dusupport@crsu.ac.in
