STATISTICS**

11-17 July, 2017

Jointly Organised by:

Faculty of Commerce and Management & Faculty of Social Sciences  
Chaudhary Ranbir Singh University  
Jind-126 102 (HARYANA)

Website: [www.crsu.ac.in](http://www.crsu.ac.in)

**About the University :**ChaudharyRanbir Singh University, Jind, was established by the *State Legislature Act 28 of 2014* on July 24, 2014. It has a spreading Campus of 75 acres situated nearly 2 kilometers away from Jind-Gohana and Jind-RohtakBypass. At the initial stage, it was started as a Post Graduate Regional Center by K.U. Kurukshetra in 2007. Aim of the University is the cultivation of citizens with a rich awareness of our heritage to lead and serve in every sphere of human activity. Working under the leadership of eminent educationists and social reformers, Hon'ble Chancellor Prof. Kaptan Singh Solanki and dedicated, dynamic and devoted personality Vice-Chancellor Maj. Gen. (Dr.) Ranjit Singh, the University is heading towards realization of its vision and the goal of being in the world ranking by 2020.

The University is affiliated u/s 2(f) of the UGC Act, 1956 vide letter no. 9-12/2014(CPP-I/PU) Dated 26 September, 2014 and is also a member of the Association of Indian Universities. In addition, the team of UGC will visit on 17-18 July, 2017 to inspect the requirement of 12 (B) of the UGC Act, 1956.

The University has a newly constructed academic block with latest infrastructure and newly constructed LaxmiBai Girls Hostel with ultra modern facilities. The University has a central Library with a stock of approximately 15000 books. It also subscribes to National and International refereed Journals, Magazines and Periodicals and also subscribes many Hindi and English news papers for intellectual development of the students. The University has an impressive Language Lab, Computer lab well equipped with the latest software, and Psychology lab fully equipped with latest Psychological apparatus and tests.

To enhance the research activities for the holistic development of the students and researchers, theUniversity has organised 01 International Seminar, 03 National Seminars and 02 National Workshops. In addition to the academics, the students are also encouraged to participate in sports events and extracurricular activities at the campus as well as outside the campus to enable their wholesome personality development.

**About the Faculty of Commerce and Management:**The Faculty of Commerce and Management composed with the Departments of Management and Commerce. The Department of Management was established in 2007 under the Postgraduate Regional Center, Jind, K. U. Kurukshetra; in 2014, the Postgraduate Regional Center was upgraded to a full-fledge university. Presently, the Department offers two years full time programme in Master of Business Administration (MBA) and having intake of 50 students. In addition, the Department also offers M. Phil. and Ph.D. degrees in management. The continuous effort of faculty, staff, students and administration has led the Department to the path of excellence in academic through a number of achievements. The department today enjoys a prominent position amongst the other management Departments in universities. The Department of Commerce was established in July, 2014. It offers the two years master degree in Commerce with a intake of 50 students. The department continuously contributes towards the creation and dissemination of knowledge in the area of finance, accounting, business and management to the different target groups.

**About the Faculty of Social Sciences:** The Faculty of Social Sciences consists of the Departments of Psychology, Economics, and History. The Department of Psychology was established in 2012 when it was under the Postgraduate Regional Center, Jind, K.U. Kurukshetra. At the initial stage, intake of the department was 20. In July, 2014, the Postgraduate Regional Center was upgraded to become a university. Department of Psychology has increased its intake 50 and giving two years master degree course. The Department of Psychology having its advanced Psychological Testing, Experimental and Biofeedback labs along with standardized and latest versions of Equipments and Tests. The Department running different job orientated optional papers like Clinical Psychology, Guidance and Counseling, Cognitive Psychology, Personality Psychology, and Child Psychology. The Department of Economics was established in July, 2014 with the intake of 50 students. Presently, the Department offers two years master degree course in Economics. The Department focuses on career oriented syllabi, and is also thrust to enhance the excellence in research and academic, through empirical and studies based on real social issues. The Department of History was

established in July, 2014, and running two years Post Graduate degree course in History. In view of the future, the Department has planned to start M. Phil. and Ph. D. research programmes.

**About the Workshop:** The workshop has finalized mainly to achieve the two purposes. Firstly, it will emphasize the deficiencies/queries which were not resolved in earlier workshop that was held on 22-28 March, 2017. Second, it will highlight some uncovered and advance techniques of research methodology and statistics, suggested by participants. In this regard, the growing complexities in academics and research, it is necessary to discuss and resolve the real issues. For this, researchers and academicians continuously emphasizing on research, publications and training. With the ever changing business and economic environment, customer taste and preferences, not only academics but business organizations have also felt the need for identifying and analyzing the rich and meaningful business and consumer data. Similarly, behavioral characteristics also significantly contribute in every set up of life. To conduct and generalize findings on these issues, should be quantified in appropriate manners. Therefore, the theoretical and practical understanding and training on diversity of steps/ procedures of research methodology and statistical tools are required.

**Learning Outcomes:**

1. To be helpful in understanding of selection of research problems in concerned discipline.
2. To understand hypothesis testing through Parametric and Non-Parametric Statistics.
3. To achieve the training of SPSS and AMOS through live examples.
4. To be helpful in understanding of advanced techniques of research & statistics.
5. To acquire the understanding of report/thesis writing following the norms of APA and UGC.
