Government of India initiative for improving the quality of faculty of institutes/colleges in areas of Electronics and Information & Communication Technology (E&ICT)

Respected Sir/Madam,

Ministry of Electronics & Information Technology (MeitY) has set up Electronics and ICT Academies at 07 institutions, namely, IIT Roorkee, IIT Guwahati, IIT Kanpur, NIT Warangal, NIT Patna, IIITDM Jabalpur and MNIT Jaipur. These Academies are aimed at improving the quality of faculty of institutes, colleges by organizing faculty development programs in various streams.

Faculty Development Programs in core areas of Electronics and Information & Communication Technology (ICT) streams have been planned for delivery during Summer (i.e., May - June 2018). The courses will be offered through National Knowledge Network (NKN) by inviting experts from IITs, NITs, IIITs and other premier institutes/industries. The courses are –

S.No.	Course Name	Dates	Last Date to Apply
1.	Wireless and Mobile Communication	Dec 03-07, 2018	Nov 30, 2018
2.	AI and Machine Learning	Dec 17-21, 2018	Dec 10, 2018
