About the Conference

The importance of physical education has never been emphasized more than it is today. It is always recognized that physical education and sports is relevant and important in developing an active and healthy lifestyle worldwide. Technology and online learning have rapidly become core elements in educational institutions. The ability to adjust learning methods are emerging in an endless stream, the proposal and practice of the "internet +" plans provide new ideas physical education students online entrepreneurship. A new concept of leadership, which is technological leadership, needs many accurate scientific methods and techniques that require expertise and pioneering disciplines, which requires those in charge to perform their work in a high manner by achieving technological leadership.

The aim of this conference it to identify the current trends and challenges in physical education and sports science, and based on these current challenges future trends and challenges will be discussed. There are various factors which are diminishing the interest of students in physical education activities. The future challenges to make this field interesting and involves an adequate curriculum, sufficient funds allotment for holding various competitions and role of technology to create awareness about the importance of physical activities and sports in our daily life. All these issues will be discussed in the present conference.

About the University

Chaudhary Ranbir Singh University, Jind was established in 2014, CRSU, Jind is a young institution which is making all out efforts to establish itself as one of the leading higher education institutions in the country. We are pursuing our vision to create most conducive ambience for the creation and dissemination of knowledge guided by innovative thinking, scientific enquiry, sublime human values, sustainable ecology and democratic ethos.

Chaudhary Ranbir Singh University is dedicated to provide congenial academic environment for nurturing the young minds to take on the challenges posed by globalization and advancements in different areas of knowledge. In consonance with the vision of country's top leadership as reflected in the National Education Policy (NEP) 2020, the university focuses on producing trained human resource which has extensive knowledge, modern skills, diverse abilities, leadership qualities, entrepreneurial abilities, and strong cultural and ethical values as guiding spirit. Importantly, the courses offered are very carefully designed keeping in view the functionality of output to bridge the gap between higher education and employment.

As we look to the future, one thing is certain - technology and knowledge will be key resources, most sought after within the country and around the world. Therefore, it is our paramount duty to help generate ideas that will benefit society, and to educate and train people to work in the fields where they will be valued for their specialized knowledge. Our acumen to research, communicate and solve issues is to be improved upon from time to time. To meet these challenges, we are undertaking alliances with research institutions, partnership with Government and other agencies. We are leaving no stone unturned to ensure the quality of our academic programs and excellence of our teaching, learning and research.

Let us all work towards creating an environment of stimulating intellectual dialogue across disciplines and harvesting knowledge with a cutting-edge through high quality teaching, research, and extensions activities leading to the generation of students who would provide leadership, vision and direction to society.

Paper Submission Guidelines

Submit your research article on the email given below:

Email: icpecrsu2023@gmail.com

Research Article should contain abstract and detail methodology as per below given format: -

- Title
- Author Affiliation
- Author Email ID
- Abstract
- Key Words
- Introduction
- Methodology
- Result
- Conclusion
- Discussion
- References

Advisory Committee

- Prof. Nishan Singh
- Prof. Ravinder Pal
- Prof. Arvind Malik
- Prof. R. P. Garg
- Prof. Gurmeet Singh
- Prof. Kultaj Singh
- Prof. Monika Verma
- Prof. J. P Sharma
- Prof. Lalit Sharma
- Prof. Sushil Lega
- Prof. Santosh Sharma (Retd.)
- Prof. Rameshwari Devi (Retd.)
- Prof. Shamsheer Singh (Retd.)
- Prof. Usha Rani
- Prof. L. N. Sarkar
- Prof. Rajeev Vyas
- Prof. Ashok Singh
- Prof. Rajiv Chaudhary
- Prof. Sandeep Kumar
- Prof. Ratnesh
-

Organizing Committee

- Dr. Kuldeep Nara
- Dr. Naresh Kumar
- Dr. Parveen Gahlawat
- Dr. Jitender Kumar
- Dr. Parveen Kumar
- Dr. Naveen Kumar
- Dr. Rohit Rathee

The mode of the conference will be in both offline/online
