About University

Chaudhary Ranbir Singh University (CRSU) had been established by the State Legislature Act 28, of 2014 on July 24, 2014 for dissemination of knowledge through innovative thinking, scientific temper, sublime human values, sustainable ecology and democratic ethos by imparting quality education and by providing conducive atmosphere. The university has a sprawling campus of 75 acres. The University is affiliated u/s 2(f) of the UGC Act, 1956 vide letter no. 9-12/2014 (CPP-I/PU) dated 26 September, 2014 and is also a member of the Association of Indian Universities. The University is recognized by the University Grants Commission (UGC) under section 12(B) of the UGC Act to be eligible for central assistance.

About Central Library

Central Library of the University began its existence in July 24, 2014 since then it has grown in size and contents along with the university to take the present shape. Central Library is playing the role as the lifeline for the academic activities. The Central Library system is to facilitate creation of new knowledge through the acquisition, organization and dissemination of information resources and providing for value added services. The main thrust of the library is to improve the quality of services and facilities, achieve high degree of users' satisfaction and endeavor to facilitate right information to the right user, at the right time. Central Library has the state of the art facilities like fully air conditioned reading area with modern infrastructure, equipment, computer lab, Web-OPAC facility, CAS, PDS through Drillbit Software, User Orientation Program. Library subscribes national and international journals, magazines, newspapers.

About National Workshop

Two Day National Workshop on "Library Automation and Digitization" is being organized by the Central Library, Chaudhary Ranbir Singh University, Jind, Haryana. The main objective of this workshop is to provide hands on training to library professionals/students (Library & Information Science) by providing adequate practical knowledge which will enable the participants to automate the libraries on their own by using Koha software. The Workshop will also be useful to those who wish to migrate their existing data to Koha. Workshop comprises of lectures, demonstration and hands-on training using Koha software in detail. The workshop also aims to provide basic knowledge and skills to participants in customizing Koha OPAC for creating, designing, conceptualizing and managing as library website.

Registration:-

Registration is mandatory for all the participants in the National Workshop & only 60 seats are available. The registration fee shall be as follows:
