Chaudhary Ranbir Singh University, Jind**

Ref. No. CRSU/DOE/2018/817

Date: 20/01/2018

To

The Principals

Colleges of Education affiliated to CRSU, Jind

Subject: Invitation to participate in Seven Days National Workshop on Research
Methodology in Education

Dear Sir/Madam,

I am happy to inform you that the Department of Education, Chaudhary Ranbir Singh University is organizing a seven days national workshop on 'Research Methodology in Education' from 6-12 February, 2018. The participants will be teacher educators, master degree students, research scholars and research supervisors. I extend my cordial invitation to all of you for active participation in the workshop. I am confident that colleges running M.Ed course will depute atleast one research supervisor for the workshop. It will not only help the colleges to facilitate the M.Ed. dissertation work smoothly but also add points to their credit for annual inspection.

A leaf-let about the workshop is attached herewith for your kind reference.

Looking forward to welcome you at the workshop.

With warm regards,

Sandeep Berwal

Prof. Sandeep Berwal

Seven-Day National Workshop

on

Research Methodology in Education

6-12 February, 2018

Organized by

Department of Education

Chaudhary Ranbir Singh University,

Jind-126102

Haryana

ABOUT THE UNIVERSITY

The Chaudhary Ranbir Singh University, Jind was established by Government of Haryana on 24th July, 2014 vide Ordinance No. 6 of 2014. Under the dynamic and enterprising leadership of Hon'ble Vice-Chancellor Prof. R.B. Solanki, the University not only provides a participatory academic environment to its students but also strives hard to develop and contribute in this region and its people through social outreach programmes. The university endeavours to contribute towards the multi-dimensional growth of this rural area in general and the holistic development of the students in particular.

ABOUT THE DEPARTMENT

The Department of Education, established in 2014, offers M.A. (Education) and Ph.D programme on its campus and provides academic and administrative inputs to B.Ed., B.Ed. (Special Education), M.Ed., M.Ed (Special Education), B.Ed (Shiksha Shastri) and B.Sc./B.A-B.Ed (four years integrated course) offered by the Colleges of Education affiliated with the University. The Department is academically rich where most of the faculty is credited with Ph.D. and publications in reputed national and international journals. The Department offers a wide range of activities like lectures, seminars and group discussions to enhance the skills of the students. Extension lectures by eminent scholars are a regular feature of the Department.

SEVEN-DAY WORKSHOP

The main objective of the workshop is to train and orient the young researchers about the basics of research methodology and related issues. The workshop intends to achieve the following objectives :

- i. To enable the participants for identification and selection of the research problem, conducting review of literature, formulating and testing hypothesis, sampling techniques, and developing data collection tools.
- ii. To develop the skills for quantitative and qualitative data analysis.
- iii. To enhance the skills for interpretation of data and drawing inferences
- iv. To improve the skills for writing research paper and research report.
- v. To provide training in the use of SPSS in data analysis.
- vi. To facilitate the participants for writing references and bibliography.

AREAS TO BE COVERED IN THE WORKSHOP

The workshop is expected to cover the basics of research methodology, focusing on theoretical and practical inputs. Specifically, it will focus on the following areas:

- 1) Research: Types and process, problem identification, selection, problem statement, and operationalizing variables.
- 2) Conducting a review of literature, hypothesis formulation and Testing.
- 3) Research design, sampling techniques and developing research tools.
- 4) Introduction to SPSS, handling and tabulation of data, interpretation of results, hands on practice on SPSS.
- 5) Statistical techniques like ANOVA, correlation, regression, factor analysis etc. through SPSS.
- 6) Drafting research proposals, submitting proposals to agencies like UGC, ICSSR and NCERT etc. for funding.
- 7) Plagiarism norms and ethics of research, writing references and bibliography.
- 8) Preparing synopsis, drafting research paper and writing research report.

REGISTRATION

The interested participants are required to apply through duly filled in registration form. The last date for receiving registration form is 31st January, 2018. The number of seats is limited to 35-40 participants. The students and young teachers pursuing Ph.D will be given preference. The list of shortlisted delegates will be displayed on university website. The participants can pay registration fee on the spot on **6th February from 9:00 a.m. to 10:00 a.m. only.**

No T.A/D.A, boarding and lodging expenses will be reimbursed to the participants. All the participants are required to carry their personal lap-top for at least two days.
