THE UNIVERSITY

The University was established by the Haryana State Legislature Act 28 of 2014 on 24th July 2014. Under the dynamic and enterprising leadership of Hon'ble Vice-Chancellor, Prof R.B. Solanki, the University not only provides a participatory academic environment to its students but also strives hard to develop its neighbour community through social outreach programmes. The university endeavours to contribute towards the multi-dimensional growth of the region in general and the holistic development of the students in particular.

THE DEPARTMENT

The Department of Education is one of the leading and rapidly growing Departments of CRS University. It offers two full-time courses in Education viz. M.A.(Education) and Ph.D. The Department has academically rich faculty members credited with Ph.D. and publications in reputed national and international journals. In the near future, the Department is planning to start the ITEP (four years integrated) programme for which the State Govt. of Haryana has provided its recommendations to NCTE. The Department offers a wide range of activities like lectures, seminars and group discussions to enhance the skills of the students. Extension lectures are a regular feature of the Department.

HARYANA SCHOOL SHIKSHA PARIYOJNA PARISHAD

Haryana School Shiksha Pariyojna Parishad (HSSPP) is a society registered under Societies Registration Act, 1860.

It's General Council is headed by Hon'ble Chief Minister of Haryana while the Executive Committee is chaired by the worthy Chief Secretary. The State Project Director is its Chief Executive Officer assisted by different officers. The HSSPP is primarily responsible to implement Samagra Shiksha Abhiyan in the State. It's aim is to ensure inclusive and equitable quality education from pre-school to senior secondary stage in accordance with the Sustainable Development Goals (SDGs) for Education. Inclusive Education for Differently Abled Children (IED) under Samagra Shiksha Abhiyan is one of its interventions. The IED Cell of the Parishad plan and execute different components of inclusive education including capacity building of special teachers, general teachers and administrators through training programmes.

TRAINING PROGRAMME

The main objective of the training programme is to reorient professionals in the field of education of persons with disabilities about different pedagogies useful for inclusive classrooms. It is expected that the participants will renovate their experiences, refresh the knowledge and benefit from the experiences of others and acquire new information in this emerging area.
