About the Krida Bharati Krida Bharati (founded 1992, Pune) is a nationwide sports organization that works with the motto of "Character Building through Sports, Nation Building through Character." It is dedicated to building a physically and mentally healthy India (Fit India) by promoting indigenous and rural sports, and developing national character in athletes.

About the Conference

Bhartiya Darshan is a rich source of information for guidelines the youth in right direction at present scenario and its challenges . In the light of Indian knowledge system (IKS) we can set up a roads map for youth to achieve the height goal in their life in the area of academic, culture and sports. To leverage Bhartiya Darshan (Indian Philosophy) as a foundational tool for mental fortitude, ethical conduct and holistic excellence to achieve a record medal haul in the 2036 Olympics.

Educational Integration: Aligning Sports Schools and Universities with the Gurukul model of discipline and character building alongside academic and physical training.

Governance & Administration: Strengthening the roles of SAI and District Sports Officers (DSOs) to manage grassroots talent with the philosophical principle of Seva (selfless service).

Policy & Support: Evaluating the TOPS (Target Olympic Podium Scheme) and National Policies through the lens of Purushartha—providing the necessary resources to manifest human potential.

Ethics & Integrity: Promoting Anti-Doping Awareness (WADA/NADA) not just as a regulatory requirement, but as an extension of Satya (truth) and Dharma (righteousness) in competition.

Objectives of the Conference

(1)

To integrate Indian philosophical principles & Indian Knowledge System(IKS) with modern sports science to build a value-based sports culture in India.

(2)

To analyze the roadmap of Mission Olympic 2036 and identify strategies for improving India's Olympic game performance development.

(3)

To explore the role of sports School, Collage & Universities and Other educational institutions in developing elite athletes through structured academic and training programs.

(4)

To evaluate the implementation of national sports policies and schemes that support Youth for Olympic preparation.

(5)

To generate policy recommendations for strengthening India's Olympic preparation system.

(6)

To encourage interdisciplinary research combining philosophy, psychology, sports science, and physical education.

(7)

To create collaboration between academic institutions and sports organizations for achieving the objectives of Mission Olympic 2036.

(8)

To Explore role of National Federation/ State Association of various game. Indian Traditional Games.
